

Welcome

Thank you for taking the time to come to our exhibition

We are keen to hear your views on our exciting plans to modernise and redevelop Stanmore Towers, 2-16 Church Road, Stanmore.

Our proposals seek to transform the current tired-looking building, designed in the 1960s, into an attractive modern development for the companies located there, and the residents who live there.

There are plans to add 9 much needed new homes to the site, as well as improvements to the general aesthetic with the unsightly phone masts on the roof being removed.
